Catering and Special Event Design

In an effort to provide our customers with a way to sample our delicious food, we host a dinner several times each year. At this event we present a full dinner buffet that offers a sampling of the quality of food, presentation and service Orlando's will bring to your event. We also have on hand our preferred DJ service, chair covers, photo booth, and more!

Sample Menu

We usually feature some of our most popular items from the buffet packages we offer at both our banquet facilities and offsite venues but we also try to introduce new items as well, so the menu could change!

Please feel free to call in advance to see what we will be presenting prior to the date you plan to attend!

Carved Entrées : Sicilian Roast Beef, Golden Roast Turkey Breast

Specialty Entrées: Chicken Modiga, Italian Chicken Spedini

Pastas: Cavatelli Carbonara, Pasta Bolognese, Cavatelli Broccoli
